

“I have always believed in the ‘power of mulching’ my leaves onto my lawn, whether I was mowing myself or my landscaper was doing it for me. As the Mayor of Irvington, I am encouraging all resident to adopt this environmentally sound and fiscally responsible approach to fall leaf management.

The more people that do so, the less money the Village will spend to collect leaves. If you or your landscaper are not convinced that leaf mulching works, call me!”

- Brian Smith, Mayor of Irvington
