HOW TO COMPOST

SET UP

Your kitchen compost pail and larger transport pail. Any household bins will work, or you can store scraps in your freezer.

COLLECT

Line your kitchen bin with compostable bags and start collecting food scraps. Transfer to your transport bin when full.

DISPOSE

Drop your food scraps off at a disposal location. Check hours / availability first!

ACCEPTED ITEMS

Fruits and vegetables (remove stickers, rubber bands, twist ties) • Meat and poultry (bones ok) • Fish and shellfish (shells ok) • Dairy products • Bread and pasta • Rice and grains • Egg shells • Chips and snacks • Nuts and seeds • Leftover, spoiled and expired food • Coffee grounds (paper filters ok) • Tea bags (no staples) • Paper towels and napkins (no chemical cleaners, just food paper) • Cut flowers (not landscaping waste) • Compostable Bags • Lint (natural materials only)

ITEMS NOT ACCEPTED

Plastic bags • Baby/hand wipes • Diapers • Glass, metal or plastic • Pet waste or kitty litter • Styrofoam • Yard waste
